

# 2019 Mid-Atlantic Thoroughbred Championships Summary

**The MATCH Series**, which originally debuted in 1997 and ran for five years, is an innovative regional racing series, and the only one of its kind in horse racing, that combines rich stakes and bonuses for participating owners and trainers who compete over a five-month span.

Horses competing in MATCH earn points based on participation and order of finish in each series race, and the leading point earners in each of the series divisions, as well as the overall owner and trainer point leaders, win lucrative bonuses.

# Ms Locust Point, Bronx Beauty Develop Unforgettable Rivalry In 2019 Match Series

*Tom LaMarra*

Trainer Anthony Margotta Jr. likened the competition in the MATCH Series Filly and Mare Sprint—Dirt Division this year to a football game. And when the game ended Sept. 28 at Monmouth Park, Bronx Beauty, a filly he trains for 2W Stables, had scored the winning touchdown.

Bronx Beauty, a 4-year-old Pennsylvania-bred filly by Liaison, missed the first of five MATCH Series legs at Laurel Park in late April. The winner of that leg was Jim Reichenberg and Cash is King's Ms Locust Point, and the two of them went head to head in the remaining four legs.

The rivalry resulted in three stretch battles that resulted in wins for Bronx Beauty and close second-place finishes for Ms Locust Point. When the \$100,000 Regret Stakes at Monmouth was declared official, Bronx Beauty and

Ms Locust Point, a 5-year-old Dialed In mare trained by John Servis, each had 40 points.

Bronx Beauty won the first tie-breaker—most victories in a division—and became the overall 2019 MATCH Series champion.

"This has been like a football game," the Monmouth-based Margotta said. "We had been behind (Ms Locust Point) in every quarter but never really were out of it. The series has been a lot of fun and it was the right fit for her this year. (Owner Richard Woll) is a New Jersey resident, so this is really good for him."

"The races we've had with our horse and Ms Locust Point are the kind that can bring people back to the game," said Woll, the principal of 2W Stables. "It was oh so exciting."

Bronx Beauty, who was ridden by Paco Lopez in the Regret, won for the eighth time in 14 career starts and is approaching a half-million dollars in earnings. In the MATCH Series, her other victories came in the Penn Ladies Dash at Hollywood Casino at Penn National Race Course and the Dashing Beauty Stakes at Delaware Park.

"It was a fairytale ending," Mar-

gotta said. "This is a tremendous accomplishment and I'm so proud of my team. They work hard and deliver under pressure, and Bronx Beauty has the heart. Some horses just have that determination."

The overall MATCH Series championship is worth \$50,000 to the winning owner and \$25,000 to the winning trainer. They also receive \$20,000 and \$15,000 for the division title for a total of \$110,000.

In addition, Bronx Beauty's breeder, Blackstone Farm, will get a \$5,000 bonus from the Pennsylvania Horse Breeders Association for being the Pennsylvania-bred filly or mare with the most points in the series.

As for Ms Locust Point, the Regret marked her 20th career start. The Grade II winner had nine wins after her start at Monmouth, and she is approaching the \$700,000 mark in earnings. Like 2W Stables and Bronx Beauty, her connections committed to the MATCH Series; Ms Locust Point raced in all five legs.

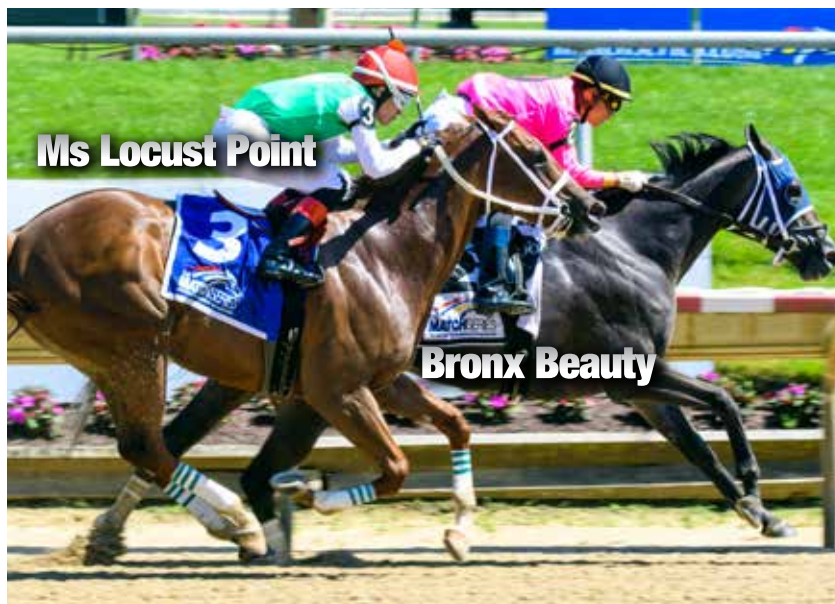

The owners earned \$15,000 and trainer \$10,000 in bonus money.

"I'm just glad to have this mare," co-owner Reichenberg said earlier in the series. "It has been a dream the whole time and we have a great trainer in John Servis. "Programs like this create opportunities for owners like us, and we need those opportunities."

On the strength of a pair of seconds in his first two MATCH Series starts and starting four times, Robert Bone's Completed Pass won the 3-Year-Olds and Up Sprint-Turf Division with 21 points. Stonehedge LLC's

Abiding Star, trained by Edward Allard, was second with 19 points, followed by Matthew Schera and Jeffrey Pesot's Paret, trained by James Lawrence II, with 17 points.

"It's beautiful," said Laurel-based Claudio Gonzalez, who trains Completed Pass. "This is really good for owners and trainers, and very good for the business."

Hillside Equestrian Meadows' Laki won his second consecutive title in the 3-Year-Olds and Up Sprint-Dirt Division. Trained by Damon Dilodovico, Laki accumulated 24 points in four series starts. Tom Michaels and Lorna Baker, who bred Laki, will again pick up a \$5,000 bo-

nus from the Maryland Horse Breeders Association for being the top Maryland-bred colt or gelding by points.

Ballybrit Stable's Dynatail, trained by Mike Dini, captured the Filly and Mare Long-Turf Division with 22 points. Live Oak Plantation's Souper Striking, trained by Mike Trombetta, was second with 13 points.

The MATCH Series championships were held on the final Saturday of the Monmouth meet, and the results on the business side were very encouraging. The New Jersey racetrack averaged \$2.32 million in total pari-mutuel on the previous three Saturdays of the month, but \$3.96 million for 10 races on Sept. 28. That's a 70.7% increase.

On Labor Day Sept. 2, Parx Racing held the fourth series leg along with two graded stakes,

and the results were impressive as well. Total handle for 12 races was \$4.03 million, up 160% from \$1.55 million on Labor Day 2018.

## 2019 Series Rules:

1. There is no special nomination required to compete in the MATCH Series. Nominations to stakes in the MATCH Series are to be made in accordance with the procedures established by the track where they are run.
2. Points are earned per horse on each race in each division in the MATCH series by finishing:
 

First:	10 points
Second:	7 points
Third:	5 points
Fourth:	3 points
Fifth:	2 points
Sixth-Last:	1 point
3. A horse must participate in at least three races within its division to be eligible for bonus money awards.
4. Bonus points will also be awarded for horses that participate in four or more MATCH Series races in a division, regardless of finish. These points are awarded in addition to points earned by placings:
 

5 Starts:	2 additional points (for a total of 7)
4 Starts:	5 bonus points
5. If a race is canceled for whatever reason, the race will be rescheduled if at all possible.
6. If a horse is disqualified after the race is made official, the points will be redistributed based upon final placement.
7. Points earned in different divisions or by different horses can not be combined for year end totals for owner or trainer bonus money awards.
8. Bonus money earned by a horse that is sold and/or changes trainer during the series will be distributed pro-rata based upon the number of points earned by each owner and/or trainer.
9. No horse which has earned points in a division will be denied the opportunity to start in a series race in that division unless the horse is ineligible for bonus money. Races may be split if the individual track deems appropriate. If a race is split, all competing horses will earn points.
10. In the event of a dead heat, points will be added for the positions that are involved in the dead heat and then divided by the number of horses in the dead heat.

# Match Series Offers Action, Suspense In First Year

## *American Champ Crowned As Series' First Champion*

The first action-packed edition of the Mid-Atlantic Thoroughbred Championships--MATCH-- certainly offered plenty to talk about, from its ground-breaking alliance of Mid-Atlantic race tracks, to its innovative point system and rich bonuses, to a down-to-the wire finish to decide the overall champion.

Emerging as the champ of the \$4-million, 35-race MATCH series was American Champ, who competed in six of the seven MATCH races for 3-year-old sprinters and won three--the R.R.M. Carpenter Jr. Memorial S. at Delaware Park, the Long Clover H. at Philadelphia Park, and the Bergen County S. at the Meadowlands. In addition to the purse money, American Champ collected \$140,000 in MATCH bonuses for owner-breeder Arthur W. Appleton, and veteran Mid-Atlantic trainer Bob Camac picked up a \$40,000 bonus for winning the overall title.

American Champ was pressed to the very last MATCH race by Candy Stables' Cat Be Nimble, the champion of the 3-year-olds and up sprinter division who went under the lights in Penn National Race Course's Mario Beneito Memorial H. on October 4 with a chance to tie American Champ. The gambit by trainer Timothy F. Ritchey almost succeeded; Cat Be Nimble finished second and locked up total owner bonuses of \$80,000 for Candy Stables. Cat Be Nimble competed in all seven MATCH races for older sprinters and won two, the Maryland Breeders' Cup H. (G3) at Pimlico Race Course and the Philadelphia Park Breeders' Cup H.

Also on the final day of the MATCH season, Buckingham Farm's Palliser Bay locked up her division, for fillies and mares on the grass, with a third-place finish in the All Along S. (G2) at Delaware Park. The hard-knocking mare by Frosty the Snowman competed in six MATCH races, winning Pimlico's Gallorette H. and placing in two others. Trained by Ron Cartwright, Palliser Bay earned \$59,000 in bonuses for her owner--\$20,000 for taking her division and \$39,000 for finishing third in the point standings.

A new star on the Mid-Atlantic racing scene, John Perrotta's Star Racing Stable, came out on top in the division for 3-year-olds and up going long with Wild Deputy. Trained by Reynaldo Nobles, Wild Deputy won Philadelphia Park's Norristown H. and finished second in two other MATCH races, the Baltimore Breeders' Cup H. (G3) at Pimlico and the Salvator Mile H. (G3) at Monmouth Park. In addition to purse money, the Wild Again horse picked up a total of \$29,000 in owner bonuses.

Trainer D. Wayne Lukas and his principal client, Overbrook Farm, race all over the country, and they are always in the heat of the action. They cashed in on a portion of the MATCH bounty with Leestown, who won the division for 3-year-olds going long. The regally bred Seattle Slew colt won Delaware's Leonard Richards S. and also finished second in Monmouth's Long Branch S. to lock up his title and collect a total of \$29,000 in bonuses for Overbrook owner William T. Young.

# A True Match Race

## *Buffalo Dan and Bursting Forth Battle To The Bitter End In Thrilling Ending To 1998 Series*

So you thought the first year of the Mid-Atlantic Thoroughbred Championships was filled with excitement. It was. But the inaugural MATCH campaign had nothing on the second season of MATCH racing in 1998, when the overall title and a tight divisional contest were settled in the final hours of six exciting months of championship-level racing.

As the conclusion of the \$4.2-million, 35-race MATCH series dawned on October 3, Buffalo Dan and Bursting Forth were poised to take the MATCH title--worth \$140,000 in cash bonuses to the winning owner and trainer. Only one point separated them, and a win was crucial to both camps.

Bursting Forth, owned by pro football Hall of Fame great Sam Huff, was concluding her march through the Fillies and Mares Turf division by competing in Colonial Downs' All Along S.-G3. A few hours later, Buffalo Dan would go under the lights at Penn National Race Course for the Mario Beneito Memorial H.

Buffalo Dan already had locked up the 3-Year-Old and Up Sprint division with three prior victories, but this one was for the MATCH title and the rich bonuses.

Bursting Forth, who previously had won Monmouth Park's Vinery Matchmaker Stakes-G3 and the Penn National Distaff H., did not disappoint Huff and trainer H. Graham Motion, winning by three-quarters of a length and moving into the MATCH lead.

Now it was Buffalo Dan's turn, and he turned in a bravo performance, equaling Penn National's 1:08 4/5 six-furlong record while winning easily. His matchless MATCH performance earned a \$100,000 bonus for owner Steve Belkin and \$40,000 for trainer Bill Perry.

Also settled on the MATCH series' closing day was the 3-Year-Old Sprint division, with Power by Far going into Colonial's Montpelier S. only one point behind Klabin's Gold, who also would start in the six-furlong dash. Barbara J. Geraghty's Power By Far proved to be too powerful and scored a two-length victory while Klabin's Gold checked in third.

In previous MATCH races, Power by Far had won the Bergen County S. at the Meadowlands and Philadelphia Park's Long Clover H.

Thomas Jo, winner of the MATCH 3-Year-Old Long division, used the series as a stepping stone to a classic placing. Winner of the Pimlico's Federico Tesio S. and Sir Barton S., both MATCH contests in the spring, Thomas Jo then took on the best 3-year-olds in the Belmont S. and finished third behind Victory Gallop and Real Quiet. Thomas Jo subsequently locked up his MATCH title with a victory in Delaware Park's Francis "Jock" LaBelle Memorial S. in August.

Taking the 3-Year-Olds and Up Long division was Testafly, who secured his title with consecutive victories in the Baltimore Breeders' Cup H.-G3 at Pimlico and Philadelphia Park's Norristown H.

# An 'Unbelievable' Finish

## *Crab Grass & Loaded Gun Both Experience Amazing Finish To Cap Off A Thrilling Year*

If you're around anything long enough, you'll see it all. Saturday was horse racing's day for the amazing and bizarre.

On the final day of MATCH (Mid-Atlantic Thoroughbred Championships), the 35-race series that began in April, two horses with chances to clinch the title (and \$150,000 in bonuses for their owner and trainer) encountered trouble in the starting gate.

At Delaware Park in the afternoon, Crab Grass, trained by Barclay Tagg at Laurel Park, needed to finish third or better in the \$100,000 Sweet and Sassy Stakes to win the championship.

But when the starting gate opened, Crab Grass didn't budge. She had jerked her head to the side, where she became lodged behind a steel bar. She eventually trotted out but didn't complete the race.

That meant that Saturday night at Penn National, the New Jersey-based Loaded Gun could overtake Crab Grass in the point standings by winning the \$75,000 Mario Beneito Memorial Handicap. But when the starting gate opened, Loaded Gun reared, giving the other horses a head start that was impossible to make up in a six-furlong sprint. He finished next to last.

So Crab Grass claimed the championship after all, earn-

ing bonuses of \$50,000 for Tagg and \$100,000 for the mare's New York owner, William Backer.

"Unbelievable," said Alan Foreman, the Baltimore lawyer who founded MATCH. "Your mouths just dropped open when you watched those races."

Crab Grass also won her division (fillies and mares 3-and-older sprint), earning an additional \$15,000 for Tagg and \$25,000 for Backer.

"It's like winning a million-dollar race," Tagg said of his \$65,000 windfall. "It will turn an ordinary year into a pretty good year."

Loaded Gun finished second overall but won his division (3-and-up sprint). Proud Run captured her division (fillies and mares 3-and-up long on turf) by winning the \$100,000 Mid Atlantic Distaff Handicap at Philadelphia Park. Richard J. Hendriks trains her at Fair Hill for Marylander Katharine W. Merryman.

Owned by White Rose Stable and trained by Gary Capuano, Search for Luv won his division (3-year-old sprint) despite finishing last in the \$100,000 Gallant Bob Handicap at Philadelphia Park. And the Delaware-based Smart Guy claimed his division (3-year-old long) despite also finishing last in the \$100,000 Pater-son Stakes at the Meadowlands.

# It's All About Max's Pal

In a performance considered the strongest to date in the four years of the Mid-Atlantic Thoroughbred Championships series, Raymond Dweck's Max's Pal won five of the six stakes in the division for 3-year-old sprinters and easily took home the overall championship.

Aside from the purse money Max's Pal accumulated with victories in the Hirsch Jacobs Stakes at Pimlico Race Course, Legal Light Stakes at Delaware Park, Montpeiler Stakes at Laurel Park, Rumson Stakes at Monmouth Park, and most recently the Bergen County at Meadowlands Oct. 7, the colt earned a \$100,000 bonus for Dweck, and a \$50,000 bonus for trainer Ben Perkins Jr.

In the other event in his division, Max's Pal lost by a nose to Disco Rico in the Jersey Shore Breeders' Cup (gr. II) at Monmouth.

"This may have been the best of the four MATCH series we've done," said Alan Foreman, chief executive officer of the Thoroughbred Horsemen's Association and the founder of MATCH. "The only difference this year was the overall championship didn't come down to the last race."

Other divisional winners were Grundlefoot, owned by Paul Fowler and trained by Gary Capuano (3-year-old

long division); Just Call Me Carl, owned by Steven Newby and trained by Dale Capuano (3-year-olds and up sprint division); Superduper Miss, owned by Debby Oxley and trained by Paul Rizzo (3-year-olds and up, fillies and mares, sprint division); and Camella, owned by Dorothy Matz and trained by Michael Matz (3-year-olds and up, fillies and mares, turf division).

The MATCH series, designed to generate interest in Mid-Atlantic racing and healthy competition between horses in the region, also awarded \$400,000 in divisional bonuses. The participating racetracks were Charles Town Races, Colonial Downs, Delaware Park, Laurel Park, Meadowlands, Monmouth Park, and Pimlico Race Course.

Foreman said MATCH used "target advertising" this year, and focused on its Web site with some success.

"We operate with a marketing budget of about \$200,000 a year -- tell me how much you can do with that kind of money today?" Foreman said. "MATCH also is somewhat hampered by the politics of the Mid-Atlantic region. When you talk about marketing, you need long-term commitments. We go from year to year not knowing who is participating."

# Participation Was Key

## *Numerous Stars Compete For Championship But Local Horses Steal Spotlight*

The impact of bonus money on the outcome of the MATCH Series cumulative and divisional standings was quite apparent in 2001, the last year the series was held.

In 2001 two high-profile horses each went three-for-three in their respective divisions, but in the end they didn't have the points to qualify for bonuses. There were six races in most divisions that year, so participation played a major factor.

The filly Xtra Heat (center), owned by Harry Deitchman, Kenneth Taylor and trainer John Salzman Sr., won all three of her MATCH Series stakes in the Filly and Mare Sprint Division for a total of 30 points. But it was Debby Oxley's Superduper Miss, trained by Paul Rizzo, who bagged the most points (37) and \$40,000 in bonus money given her placings in five of the six division events.

Xtra Heat, however, made up for it. She won more than \$1 million that year, including \$200,000 for a close second-place finish in the grade I Breeders' Cup Sprint.

In the 3-Year-Old Sprint Division in 2001, DAARS Inc.'s City Zip won all three of his MATCH Series starts to earn 30 points, but it was Sea of Green, owned and trained by Janice Gerace, who won the division title with 54 points. Sea of Green competed in all six division events.

City Zip, trained by Linda Rice, won the grade II Amsterdam Stakes at Saratoga Race Course during his MATCH Series run and banked \$401,920 in 2001, his final year of racing. He went on to become a successful sire, particularly late in his stallion career.

Gerace also owned and trained Loaded Gun (above), who captured the 3-Year-Old and Up Sprint Division that year. Gerace ended up with two division winners and the honor of overall champion owner and trainer for a total of \$190,000 in bonus earnings.

Other prominent local horses that competed in the MATCH Series the last year it was held were Delaware Township, Disco Rico, Max's Pal, and Say Florida Sandy.

# 2018 Match Series Pays Off For Connections Of Jessica Krupnick, Other Horsemen

*Tom LaMarra*

One week after taking the lead in the hunt for the 2018 MATCH Series overall championship, Sycamore Racing V's Jessica Krupnick held off challenges by three horses in three different divisions to make it official.

Trained by Tres Abbott at Fair Hill Training Center, Jessica Krupnick on Sept. 15 finished second in the Roamin Rachel Stakes, the last of five races in the Filly and Mare Sprint-Dirt Division, at Parx Racing and led the series with 34 points. Three MATCH Series races, two with horses eligible to win the title or tie at the top, were scheduled for the same day at Laurel Park but were moved to Sept. 22 because of the potential impact of Hurricane Florence.

A victory by Hillside Equestrian Meadows' Laki in the grade III Frank J. De Francis Memorial Dash, the final series race of the year, would have given him the overall MATCH title by one point, but he finished second to Switzerland in the race and wrapped up a full five-race series campaign with 32 points.

"Laki ran a great race and just kept plugging," Abbott said. "It has been a fun summer racing in the MATCH Series. Once you get into it, you plan around it, and it worked out well for us. It's a good program for Mid-Atlantic horses and some of the smaller trainers in the region."

Jessica Krupnick, a 5-year-old mare by Uncle Mo out of the Henny Hughes mare Wear Red, finished fourth, beaten only three-quarters of a length, in the grade III Whimsical Stakes on the Tapeta surface at Woodbine in April before joining the MATCH Series, and in August finished third behind Hotshot Anna, who went on to win the grade II Presque Isle Masters Stakes, in the Satin and Lace Stakes on Tapeta at Presque Isle Downs & Casino.

The long round-trip to Erie, Pa., paid off in two ways for Sycamore Racing. It sealed the top spot in the Filly and Mare Sprint–Dirt Division for Jessica Krupnick, who competed in four of five series races, and also helped spur interest from a Canadian group looking for broodmares.

“We had a deal that after she raced (in the MATCH Series) we would sell her as a broodmare,” Abbott said. “So it was great to win the series with her but it was also bittersweet. She was consistent through the entire series. She’ll probably race one more time in Canada—the new owners want her to get black-type there, and then become a broodmare. Our goal is to race but also sell, and the MATCH Series offers an opportunity to showcase Mid-Atlantic horses.”

Sycamore Racing is operated by Tres Abbott’s father, Francis, in southeastern Pennsylvania. For the overall championship, the partnership will receive \$50,000 as owner and the trainer will get \$25,000. For winning the division, the payouts are \$20,000 for the owner and \$15,000 for the trainer for a grand total of \$110,000 in bonus money put up by participating horsemen’s groups in the Mid-Atlantic region.

Laki, a 5-year-old Maryland-bred gelding by Cuba, took the overall series lead in August with a victory—after the disqualification of Lewisfield—in the Polynesian Stakes at Laurel. Lewisfield was in the running for the 3-Year-Olds and Up Sprint–Dirt Division title but finished fifth in the De Francis Dash, so Laki was the winner.

“Normally it’s not his thing to be near the inside,” trainer Damon Dilodovico said of Laki’s trip in the De Francis, “but (jockey) Horacio (Karamanos) encouraged him to get over his fear of that. He came out of the race very well, and he may get a little time off. Getting a payday like this means a lot to us, and if he’s good next year, we hope to participate in the series again.”

Though Laki didn’t win the De Francis, Dilodovico’s son, Nicholas, who is active in the family’s Laurel-based racing operation, ended up in the winner’s circle with Switzerland, who was stabled at the Dilodovico barn that week in the absence of trainer Steve Asmussen.

The humor wasn’t lost on his father.

“When I saw that, I had a pretty good belly laugh,” said Dilodovico, who also works for International Sound at Laurel.

De Francis winner Switzerland, owned by Woodford Racing, won the grade III Maryland Sprint at Pimlico Race Course to kick off the MATCH Series in May but didn’t compete in the series again until the last leg. He was the only horse to win two races in the division but he didn’t qualify for bonus money, which requires a minimum of three starts.

Pimlico-based Mary Eppler won the 3-Year-Olds and Up Sprint–Turf Division as trainer and owner with Oak Bluffs, and the 3-Year-Olds and Up Long–Dirt Division with Page McKenney as trainer. Eppler, whose two horses started in eight MATCH Series races, will collect \$50,000 for her efforts.

Page McKenney, the Pennsylvania-bred standout, was retired before his fourth division start. Eight-year-old Oak Bluffs raced in all five of his division races, and the bonus points he earned in the final race put him over the top. He held on by one point over Dubini, who finished second in the Sept. 22 Laurel Dash but needed to win to defeat Oak Bluffs by points.

“We were trying to figure out where we stood,” said Parx-based Kate Demasi, who trains Dubini for Pewter Stable. “That’s really exciting. I thought the series was great, and I’m glad it was brought back. We know the races in the series and have a good idea of the competition each time, which really helps.”

The MATCH Series this year offered 25 races valued at a total of \$2.9 million at seven tracks: Laurel and Pimlico in Maryland; Parx, Hollywood Casino at Penn National Race Course and Presque Isle in Pennsylvania; Delaware Park; and Monmouth Park in New Jersey. Participating horsemen’s groups—Thoroughbred Horsemen’s Association affiliates in Delaware, Maryland, New Jersey and Pennsylvania; and the Pennsylvania Horsemen’s Benevolent and Protective Association—anted up bonus money, of which almost \$400,000 will be paid.
